**THIS PACKET IS FOR:**

This packet is for families who want their pre-kindergarten student to attend one of our tuition-free pre-kindergarten schools that is **not** their attendance area school. An application is required for each student because space is limited and demand is higher than the number of spaces available. Note: The student must be 4 by September 1st, 2018.

Every residence in Osseo Area Schools is assigned an elementary, middle, and senior high school. An attendance area is a geographic area surrounding a school. Attendance areas optimize enrollment for each school in our district. Note: Birch Grove Elementary, does not have an attendance area.

**TRANSPORTATION for Tuition-Free Pre-K**

When students are approved to attend a school outside of their assigned attendance area school, transportation is the responsibility of the parent/guardian. However, transportation may be provided from an existing bus stop that serves the approved school under the following conditions:

1. The student registers for bus service each school year and is approved to use an existing bus stop.
2. Space is available on existing bus routes.
3. Parents accept ultimate responsibility for ensuring that their student can get safely to and from the assigned bus stop.

Note: Existing bus stops are located within each school's attendance area and are not guaranteed to be in a convenient location for your student. From time to time, enrollments change, bus routes change, and available seats on bus routes change.

**Consider your options carefully if your student is dependent upon District transportation to attend school.**
