

Policy 921 - Non-use of Tobacco on School Premises

I. General Statement

To promote the health and well-being of all community members, employees, and students as they use the school buildings, grounds, and other facilities of the District.

This prohibition is effective for all persons while on District property, or in District vehicles or contracted vehicles, during all hours of every calendar day.

II. Notification:

Efforts will be made to give regular notice of this policy in school hallways, entrances, activity areas and other appropriate locations, as well as in publications of the Community Education Department and in District community publications.

III. Implementation:

Success of this policy will depend upon the consideration and cooperation of community members. All individuals on school premises share in the responsibility of enforcement.
